SUMMARY

Synopsis of Bill

Senate Bill 605 appropriates \$64,000 from the general fund to the administrative office of the courts for FY08 to fund the court-appointed special advocates programs statewide. Any unexpended or unencumbered balance remaining at the end of fiscal year 08 shall revert to the general fund.

FISCAL IMPLICATIONS

The LFC recommendation currently includes \$139,974 (\$31,974 is the three percent increase to the Special Court Services program, and \$108,000 is additional LFC money).

The additional \$64,000 from SB 605 would bring the total amount of new general fund for CASA to \$203,974. All of New Mexico's programs would benefit (except the Second Judicial District Court, where the CASA program is a unit of the Children's Court budget).

SIGNIFICANT ISSUES

The LFC recommendation currently includes \$139,974 for the Special Court Services Program.

PERFORMANCE IMPLICATIONS

The courts are participating in performance-based budgeting. It is unknown if enactment of this bill would impact performance measures as they relate to judicial budgeting.

OTHER SUBSTANTIVE ISSUES

SB605 would complete the funding of the Network's original request for CASA. Statewide, CASA requested \$203,976 in new general fund for FY08. That appropriation would bring all 16 programs to their proper funding step, as well as increase the steps for the first time in ten years.
